

Internal Job Posting

Date of Job Posting: **06/23/2022**

Department: **Category Management**

Job Title: **Category Specialist Installer**

Hiring Manager:

Hiring Manager/Contact Info: **512-272-4200**

Job Description:

The Category Specialist Installer is responsible for physically helping at account resets of planned schematic layouts provided by the category team. This position is Monday through Friday, 40-hour work week with pay of \$16 per hour.

Qualifications:

Physically capable of performing the activities associated with setting a cooler, cold vault, warm shelf, or other point of product availability. These activities include, but are not limited to, lifting, bending, kneeling, and twisting.

- Understand the general concepts and goals of category management.
- Be familiar with the entire Capitol Wright portfolio of products and their proper segment positioning

Responsibilities

- Be able to professionally and competently communicate with Capitol Wright retail customers.
- When appropriate, be able to professionally, competently, and aggressively promote Capitol Wright's interests at sets called by competitors.
- Effectively communicate with the Chain, Category Management, and Sales teams in providing feedback from sets. This includes changes to planned assortment, retail customer comments or concerns, competitor's comments, and assortment opportunities not captured in the current assortment solution.
